

BLACK FLY BREWFEST
May 20, 2023
BREWER APPLICATION

Good Day Brewers, Vintners and Distillers!

We are back for the 2023 Black Fly Brewfest to be held on May 20 at the Millar Civic Center from 1 to 6pm. In this packet you will find the information needed to be part of the event.

We will have access to some rooms at the Shiretown Inn and Suites but space will be limited. If you need a room you can secure a reservation by calling 866-306-0942 or by booking at the Shiretown Inn and Suites. We suggest you do this early as hotel rooms are in high demand this year.

Last year the participants did well selling their product and merchandise at this Fest. Please feel free to bring whatever you choose that highlights your product.

Fill out the form below (don't forget section 3 so we can apply for your license!) and send it back to us as soon as possible. We will limit the number of brewers to 25.

Looking forward to seeing our regulars again and to meet some new brewers!

Jane
