

BLACK FLY *Eclipse* BREWFEST
April 6, 2024
BREWER APPLICATION

Good day Brewers, Vintners and Distillers,

Yes indeed...the End is Here! Great marketing as well as interesting events (this one included) have helped to put Houlton on the map for the 2024 Total Eclipse of the Sun! We will be the last place in the United States to witness this event and expect to have many out-of-town visitors here in Houlton.

Points to ponder...

- The event will be held from 2pm to 6pm. (shortened by an hour for next year).
- We expect between 500 and 700 at this fest but will keep you posted so you will know how much product to bring.
- Remember that you may sell your product at this Fest.
- Swag is appreciated by the crowd and it helps to spread your companies name.
- Feel free to share this application with your friends in the business.

Please fill out the form below (don't forget section 3 or section 5, whichever pertains to your business, so we can apply for your license!) and send it back to us as soon as possible. For this special brewfest we will limit the number of brewers to 30.

Looking forward to seeing our regulars again and to meet some new brewers!

Jane
