### **About the American Red Cross:**

The American Red Cross of Northern New England serves more than 3.2 million people throughout Maine, New Hampshire and Vermont. Our region covers 40 counties and 49,083 square miles. Our more than 1,600 dedicated volunteers deliver our humanitarian mission with the support of a small group of employees. The Red Cross shelters, feeds and provides comfort to victims of disasters; supplies about 40% of the nation's blood; teaches skills that save lives; distributes international humanitarian aid; and supports veterans, military members and their families. The Red Cross is a nonprofit organization that depends on volunteers and the generosity of the American public to deliver its mission.

**Mission Statement:** The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

Do you want to make a difference in your community? Put your compassion into action and join us as a volunteer.
